

# CONFIRMATION OF STUDIO POLICIES SEASON 17 2019-2020

*Please read, initial and sign at the bottom*

I am aware of the fee schedule and payment policies of Center Stage Dance Co. Tuition is due on the 1st of the month regardless of what day the 1st falls, or what day class falls. I understand that there will be a late fee added if payments are not received by the 5th, and that the late fee will be added for each month the payment is late. We do not accept postdated checks and there is a \$30 fee on returned checks. Payments can be made by Check or Cash, we do not accept credit or debit.

I am aware that my student will be dropped from the program after three consecutive unexcused absences.

I am aware of the late pick up policy. Those students who are not picked up within 20 min of their class ending, will incur a babysitting fee. If students are not picked up by 9pm (the studio closes at 830pm),and we cannot reach either parent or the emergency contact, the authorities will be contacted.

I understand that if my account becomes past due for more than 2 months, my student will no longer be able to participate in class(es). I am aware that in order to participate in performances accounts must be current.

I am aware of the required shoes and dress for my dancer's class, and understand that in order to participate in class my student needs to be dressed appropriately and have the correct footwear.

I am aware of costume policies and that my child's costume(s) will not be ordered, regardless of attendance, without a deposit. I am also aware that a costume balance may be due, and that no costumes will be distributed until completely paid for.

I am aware that the full costume- including shoes and accessories- will be required for all students to participate in performances.

I understand that each dancer will be guaranteed 2 recital tickets for purchase. All additional seating will be sold on a first come first served basis. Seating is not assigned-seating is chosen individually- at time of purchase.

I am aware that one adult representative will be allowed in attendance at dress rehearsal in May, as per theatre rules. Parents will be checked in as they enter.

I am aware that at the end of season recital my student will be required to remain backstage during the entire performance. Students unable to abide by this rule will not perform. Center Stage keeps all students backstage as a safety precaution. Safety is our first priority.

I am aware that minimum enrollment must be met to keep a class open. Also, that class placement may change-dependending on enrollment and student skill sets.
